High School Song

Here's to the Upper High School,
And to the many days,
Spent in the old school building,
Pride of our high school days.
Rah! Rah! Rah!
We boast of our traditions,
We'll uphold them or die,
Long live our Alma Mater,
Here's to the Upper High.

Coming Home . . .

It is with humble appreciation that we, the graduating class of 1946, dedicate this annual to those Upper Sandusky men and women who fought in all the far corners of the globe to preserve the liberty that we enjoy.

And most of all, it is to honor those valiant ones who made the supreme sacrifice in service for God and country. We can best express our feelings with the words of John Arkwright when he said:

"O valiant Hearts, who to glory came
Through dust of conflict and through battle-flame;
Tranquil you lie, your knightly virtue proved,
Your memory hallowed in the Land you loved."

Foreword . . .

School days, school days, good old golden rule days. How we hate to see them go. We sometimes wished we could play hookey and go fishing or do some shopping, and I suppose we all did, at one time or another. But then, time must march on.

We seniors bring this annual to you as a remembrance of our last year in good old U.S.H.S. We're going to miss all the fun and good times we've had in our four short years of high school. Sure, some of us will go to college, but then, that's college. There is nothing to compare with our high school days.

This year has been a remarkably different one. With the end of the Second World War, and the return of our service men, we again take up a peaceful attitude toward living and learning. The men are coming back to their work, their studies, their social activities, and their entertainment. Thus it is on this theme that we make our 1946 INDIAN VILLAGE ANNUAL.

The Major is back to school marning, and welcomes
Mr. Tenwalde of the Air Corps.

SUPERINTENDENT

CHAS. E. DAVIS
Wooster, Ohio University,
Northwestern, Wittenberg—
AB. and M.A.

"How you doin,' folks?" is the friendly way in which Mr. Davis, our superintendent, greeted us almost every day of the past year. We might very well answer "fine, thanks" for Mr. Davis has made this one of the most enjoyable years of our high school career.

"The Major", as he is still often called, came to our school after serving in the Army Air Corps for three years. He entered the Air Corps in August, 1942 and was discharged on July 15, 1945.

Before entering the Air Corps Mr. Davis was employed as principal of South High School in Lima, Ohio.

"The Major" is a great lover of sports and is well-liked by all the members of the various athletic teams. He was always on hand at the end of a game to give the boys a word of praise and a genial slap on the back.

For the first time in the history of our school we found it possible to have a Student Council. This was put into effect by Mr. Davis. It is hoped that this method of student government will prove successful in the years to come.

His pleasing personality has made him very popular with the students of Upper High as well as the members of our community. We seniors hope that it will be possible for Mr. Davis to remain in our school and continue the grand job started.

PRINCIPAL

L. H. HOUP
B.S. Ohio Northern
M.A. Ohio State

Mr. Houpt, our principal, has guided the students of U.S.H.S. for twenty-seven years. In late summer Mr. Houpt is accustomed to the responsibility of making out the schedules of all the high school students. After school has opened he makes sure that these schedules are followed properly. His office is conveniently located in the west end of the building.

In the adjoining room he imparts his knowledge of social science to the senior classes that come and go throughout the years.

The seniors of the graduating class of 1946 wish to express our sincere appreciation in gratitude for the many things that Mr. Houpt has done to help us through these twelve short years.

SENIOR

As the end of our last year in high school draws to a close most of us can truthfully say "these have been four most interesting years." On them were a lot of books, a lot of test paper fatigue, and perhaps a few disappointments, but when we think it over we should really be grateful to those teachers who had to put up with our youthful mistakes.

There was the class party in our Freshman year when the girls talked "Mom" into a new dress, and the boys got out that Sunday suit.

Remember how grown-up we felt as Sophomores, walking into 304 study hall, and pulling down two class parties? One was a Christmas party, to be followed by another party around St. Patrick's Day.

It was at the St. Patrick's Day party that the girls asked the boys and what a time the girls had deciding whom they wished to take.

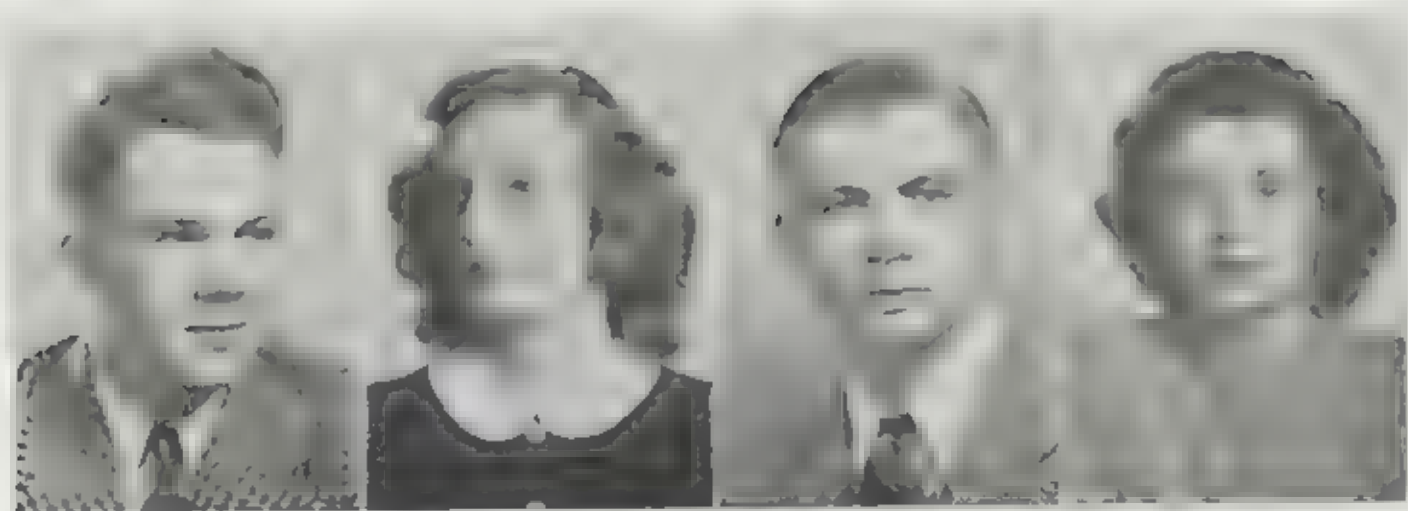

In our Junior year we became a little money conscious and took to selling refreshments at all the games. Remember the class play and the agonizing postponements? Then the Prom came, we pushed up our sleeves, got out the paint brushes and crepe paper and really went to town. No one can sell us on the idea that our Prom wasn't the best of all.

Our Senior year finds us taking over lockers in the middle hall, looking at college bulletins, and putting in long hours on this annual, the class play, and the school paper. The spring brings a rush season to the seniors with a class party, Junior-Senior Prom and that big moment of graduation.

So the years have passed and the class of "46" take their place among the alumni of U.S.H.S.

Early in November the seniors elected their editor and business manager for the 1946 Indian Village Annual and looked forward to helping get the book underway. The staff was chosen by the editor and business manager, with the assistance of the advisor, Miss Hickman. Miss Neumeister, senior class advisor, and Mr. Houpt, principal.

Within a short time all was underway and the staff members were as busy as bees each doing his part to the best of his ability. A few classes were sacrificed, and a lot of spare time given up for this annual but in the end, we know that it has been worth it.

Without the excellent aid of Miss Hickman and the help of Mr. McLean, this annual publication would have been impossible. We of the annual staff are proud to have been the creators of the 1946 Indian Village Annual. We hope that you enjoy reading it as much as we have enjoyed bringing it to you.

JUNIOR PLAY CAST

Cast of the play "Sing For Your Supper" consisted of: Joe K. (John), Mary Lou (Mary), S. (Sue), and E. (Evelyn). The play was directed by Miss Ruth Lyne. The cast also included: Alice Bils, Rachel Shafer, Lou Rowland, Mary Stewart, and Lou Larick. The play was under the direction of Miss Ruth Lyne.

JUNIOR

It seems the Junior Class of "45-46" have had a full time year. They started the ball rolling by selling refreshments at all try-outs, football and basketball games. Between every play the Juniors would appear to sell their wares to the hungry spectators.

Their class play, "Sing For Your Supper," came early in the year on Nov 20th and proved a great success under the direction of Miss Ruth Lyne.

Februray 19th, brought a class party built around a patriotic theme. The feature of the evening was Dave Zoll's orchestra, which provided fine music for dancing.

With Spring came their main activity, a beautiful prom, which was held in honor of the seniors on May 24th.

So the Juniors closed their year and have a right to feel they have done their job well.

Senior Band . . .

All year you have heard the band practicing the last period three days a week, maybe all the notes didn't sound so perfect when they first played a piece, but with a correction here and there, some familiar piece gradually took form. With the very careful direction of Mr. Assenheimer, nothing seems impossible.

As usual, the band was on hand in full array for all the home football games and for the first time for several years had the honor of following the team to all of the out of town games. Other highlights in the year's activities were the annual Band Festival, to which we were hosts, the annual May concert at the park, and any other public event for which they might want a little music.

Our very capable Drum Major for the year was Nancy Hagenmaier, and late in the football season majorettes were chosen, namely Joan Courtad and Sally Stephan.

We the seniors of the band wish the under graduates the best of luck, and regret only one fact, that we can't be in band for a few more years.

Senior Choir . . .

The Choir started the year with big plans. They had planned to have a Christmas Program for the public, but the flu epidemic came along and ruined the plans. The Choir didn't let this attitude ruin morale, instead they forgot about it and started to work harder than ever for the annual Choir Festival.

The Choir Festival was held in Crestline. Our Choir made a very good showing with their new black robes and orange stoles which were purchased early in the year by the Band Mothers Organization. On Sunday, December 30, the Choir went caroling. Being transported by the school bus, they spread their cheery music through out the town. The Choir presented a concert in the early spring which was the only occasion that the complete Choir was seen locally in their robes.

We seniors wish to express our thanks to Mr. Assenheimer for his splendid direction, and hope the Choirs of the future are very successful.

Pep Band . . .

You have heard the sweet strains of the Pep Band ringing through the halls when a Pep Meeting or Basketball game is in session—so what else can be said about it? You never realize how much music can come from such a few people until you hear the UPPER SANDUSKY HIGH SCHOOL PEP BAND. It consists of only thirteen members, who can play more "saw" notes than anyone you ever heard. New books were purchased at the beginning of the year and so they did have a few new songs to play.

The Pep Band really does add pep to the basketball games by filling in the empty space at quarters and halves. It is always on hand to welcome you to the gym for Pep meetings and ushers you out when they're over.

The seniors of the Pep Band wish to express their thanks to the student body for being so patient with our music and hope the Pep Bands of the future are better.

Orchestra . . .

By the end of the year the Orchestra, which didn't start practicing until after football season, had shown great improvement over the first practice. Since it is composed mostly of undergraduates, we will have a good Orchestra for several years to come.

The annual Orchestra Festival, which was held at Norwalk, was the main event of the season. The Orchestra, however, was on hand for several school events such as assembly programs, the Senior Class Play, and Commencement. This year's Orchestra was composed of twenty-nine members and met twice a week for practice. They played mostly classical music but a march was played now and then.

The senior members wish great success to the Orchestras of the future, and we shall never forget the five minutes of tuning up before every practice.

Junior Band . . .

Although not much is ever mentioned about the Junior Band, it should never be forgotten that its members are the future musicians of the school. They practice three periods a week during which time much is learned and accomplished. They never have the opportunity of playing for the public but they keep practicing hard so that some day they will be able to reach their main objective Senior Band. The band for the year was composed of eighteen members. The music most played was marches, and a number of other familiar songs.

We seniors leave our places in Senior Band to you Junior Band Members and feel confident that you can fill them even better than we did.

Junior Chorus . . .

The Junior High Chorus was divided into three groups, according to the different grades. There were thirty-six freshmen, forty-seven eighth graders, and fifty-six from the seventh grade. Each group met twice a week for rehearsals, and the whole chorus met on Friday.

The freshmen sang three selections for Open House; their accompanists were Nancy Mann and Rosemary Ellis. Patricia Kingman and Barbara Hann were selected as secretaries for the group with Barbara Armstrong and Martha DeLong as librarians.

Marilyn Hehr and Marilyn Pfeiffer accompanied the eighth grade group which sang three numbers for Farmers' Institute. Their secretary for the year was Lois Sammet and music was in charge of Susan Martin and Nancy Maffett.

John Tschantz, assisted by Marcelyn Snively, acted as secretary for the seventh grade group. The librarians for the year were Donna Morrison and Margaret Myers. The main activity of this group, accompanied by Ruth Stouffer and Carolyn Sue Fleeman, was the learning and practicing of approximately twenty-five folk games and dances.

The entire group, which is under the superb direction of Miss Mercedes Blue, learned to sing two-part and three-part songs, as well as unison. She is to be complimented for this fine group of young singers and the interest in music which she has aroused in the Junior High students.

Girl Reserves . . .

This has been a year of fun, entertainment, and serious work for the G.R.'s. Formal induction started the new members off with high hopes and ideas for the club as well as reviving it for the old members. The officers elected were Neva Graham president, Maxine Parks secretary, Martha Lee Reber treasurer, and Mildred Russell Student Council representative.

A G.R.-Hi-Y rabbit-pheasant dinner was the first party of the year, later a Hen Party was held in the auditorium for all the girls. In March a Sweet-heart Party was the main event with each girl bringing a boy friend. The annual Mother-Daughter Tea was held in April, with a guest speaker making the program very interesting. This event is always looked forward to each year by all the girls.

Regular bi-monthly meetings were held besides extra activities. The girls also helped greatly in the old clothing drive. We seniors sincerely hope that the G.R. will continue in its fun and good work.

Hi-Y . . .

The Hi-Y began this year by electing the officers: president, Robert Schnucker, vice president, Jack Houser, secretary, James Leslie, treasurer, James Hehr, and James Houser, Student Council representative.

The club held the annual initiation for the new members with the usual fun. The G.R.-Hi-Y rabbit-pheasant dinner was one of the extra activities of the club.

Their meetings, which were held twice a month were entertaining, amusing and helpful to all the boys. Mr. Grauer is the advisor of the Hi-Y this year. The older members of the club usually had charge of the meetings with the younger boys contributing. This gives all a chance to do their part in making the club a better and more efficient organization.

F. F. A. . . .

This year the future farmers started with an ideal initiation. After this they elected their officers for the year: president, Donald Sweigard, vice president, James Leslie, secretary, Donald Kramer, treasurer, Byron Brodman, sentinel, Donald Snyder, Student Council representative and reporter, **Paul Clinger.**

The boys won a gold medal rating for parliamentary procedure after **which all their business meetings are patterned.**

Again this year they won the judging contest which they have held for the last three years. They also rebuilt their sheep-dipper, which the boys take to the farms and in which dip the sheep for the farmers to rid them of ticks. This brings in some funds for the club which is used for their **banquets and other expenses.**

The F. F. A. was headed by Mr. John Borton, vocational agriculture teacher at Upper High and Marseilles.

Varsity u . . .

While the boys of Upper Sandusky High School consider their sports important, they also consider the Varsity "U" important. To qualify for membership in the organization, a boy must have earned a letter in a varsity sport. There are 35 members in the Varsity "U" this year.

One of the main activities of the organization is the annual Football banquet which is sponsored by the Varsity "U". This banquet is centered around the members of the football squad and their fathers, and the affair is open to the public. The third annual banquet was held on January twenty-first, 1946 in the High School Auditorium. The principal speaker of the evening was Simey Glaman, head coach at Miami University. This banquet is a big event in the school year and is well attended.

Another social activity of the Varsity "U" is the Holiday dance which is held during the school Christmas vacation. The dance is usually held after a basketball game.

During the year they hold their luncheon meetings twice a month. The boys hold these during the noon hour. They hold a luncheon and then take care of the business meeting afterwards.

The first meeting of this last year was held in the auditorium at which an election of officers was held. The officers for the year were: Earl Thomas, president, Donald Sweigard, vice president, Bob Wolfe, secretary, treasurer. Coach Shaffer is honorary president of the organization and is usually in general charge of the meetings. Mr. Cope, athletic director, is the advisor and works with the Secretary-treasurer.

The Varsity "U" Club is an important organization to the school and to the boys. It presents a goal for the boys in athletics to strive for. The seniors who are leaving it wish it the best and hope that the boys will be successful with their banquets and any other activities they may attempt.

Senior G. A. A. . . .

The Senior Girls Athletic Association planned a very entertaining year for its members under the able direction of Miss Helen Nall, and the following officers: Nancy Hagennauer, president, Harriet O'Brien, vice president, Susan Bremeyer, secretary, Rachel Shafer, treasurer, and Audrey Bowen, Student Council representative.

After initiating the new members the next party of the club was a Halloween Party held in the school gym. In February about fifty of the Junior and Senior G. A. A. members went swimming in the Tilton Y. M. C. A. pool. Everyone had loads of fun and you should have seen the number of pig tails in school the next day. Was the water wet, girls?

The annual May Day ceremonies will be a highlight of the year with all the junior and senior members taking part. In addition to this pot luck suppers and other forms of parties kept the club really going the rest of the year.

Junior G. A. A. . . .

The Junior Girls Athletic Association started the year off in high spirits. Their large initiation party was held for the new members at the city park. After organization, they elected for their new officers: Joyce Schoenberger, president, Ann Haives, vice president, Rosemary Ellis, secretary, Carol Cope, treasurer, and Rachel Hehr, Student Council representative.

They planned a Halowe'en Party for the club and other parties were held during the year for the enjoyment of all its members.

Bowling has provided an interesting and educational sport for the girls after school, while ping-pong, volleyball, and basketball are the main sports during school. The teams that were formed to play these games proved to be some keen competition for each other as well as the senior girls. We can all see that the future of high school girls will be athletically as well as educationally minded which should be a great asset to the future U. S. H. S.

Broadcasting Staff . . .

U.S.H.S. takes to the airways. At the beginning of the year, tryouts were held for high school reporters and everyone in the senior and junior classes was eligible. Each contestant submitted a short paragraph, and was taken to Station WMRN at Marion for an audition.

Two sports reporters and two news reporters were chosen from the contestants. This group broadcasts every Tuesday evening at 5:15 from the school auditorium.

Miss Ruth Lyne was supervisor and coordinator of all school broadcasts. She has produced an excellent series of programs. Technical adviser to the group was Mr. Lawrence Grauer. Cliff Starsberry was student assistant to Mr. Grauer.

It is hoped that the school will continue their broadcasts in future years. It is an interesting project and contributes to keeping the community informed on school activities.

Orange and Black Staff . . .

Upper High School again was proud to publish the Orange and Black News. This was the first year since 1939 that it was possible to have a school paper.

The paper was a project started by the journalism class and later included members of other classes who had journalistic ability. The editorial staff was elected by the journalism class at the beginning of the year.

A donation was collected in the journalism class at the beginning of the year needed for minor expenses. We want to thank all the businessmen who gave us a start by so willingly advertising in our paper. Also we extend our appreciation to Miss Hickman for her able assistance in making our paper possible.

Although the paper came out once a month for only the last semester we trust that we have set the goal for future classes. It is hoped that the juniors and seniors of future years will be interested in taking the journalism course and making the Orange and Black News even more successful in years to come.

It may be far-fetched, folks, but this is as close as we could come to anything pertaining to athletics.

COACHES

COACH SHAFFER

Coach Earl A. Shaffer has been associated with Upper Sandusky High School for the past three years. He spent the first two years as assistant coach and taught General Science. Besides this, he coached the reserve basketball squad and his 44-45 team lost only one game.

Last September, Mr. Shaffer accepted the head coaching position. His duties include coaching the football squad, the Varsity basketball team, the field events department of the track team, and conducting physical education classes. These are only his main duties. Numerous smaller duties keep him very busy.

Mr. Shaffer has a junior high basketball team that he has been coaching in addition to all his other duties. He has scheduled various other junior high teams and the boys are getting valuable experience.

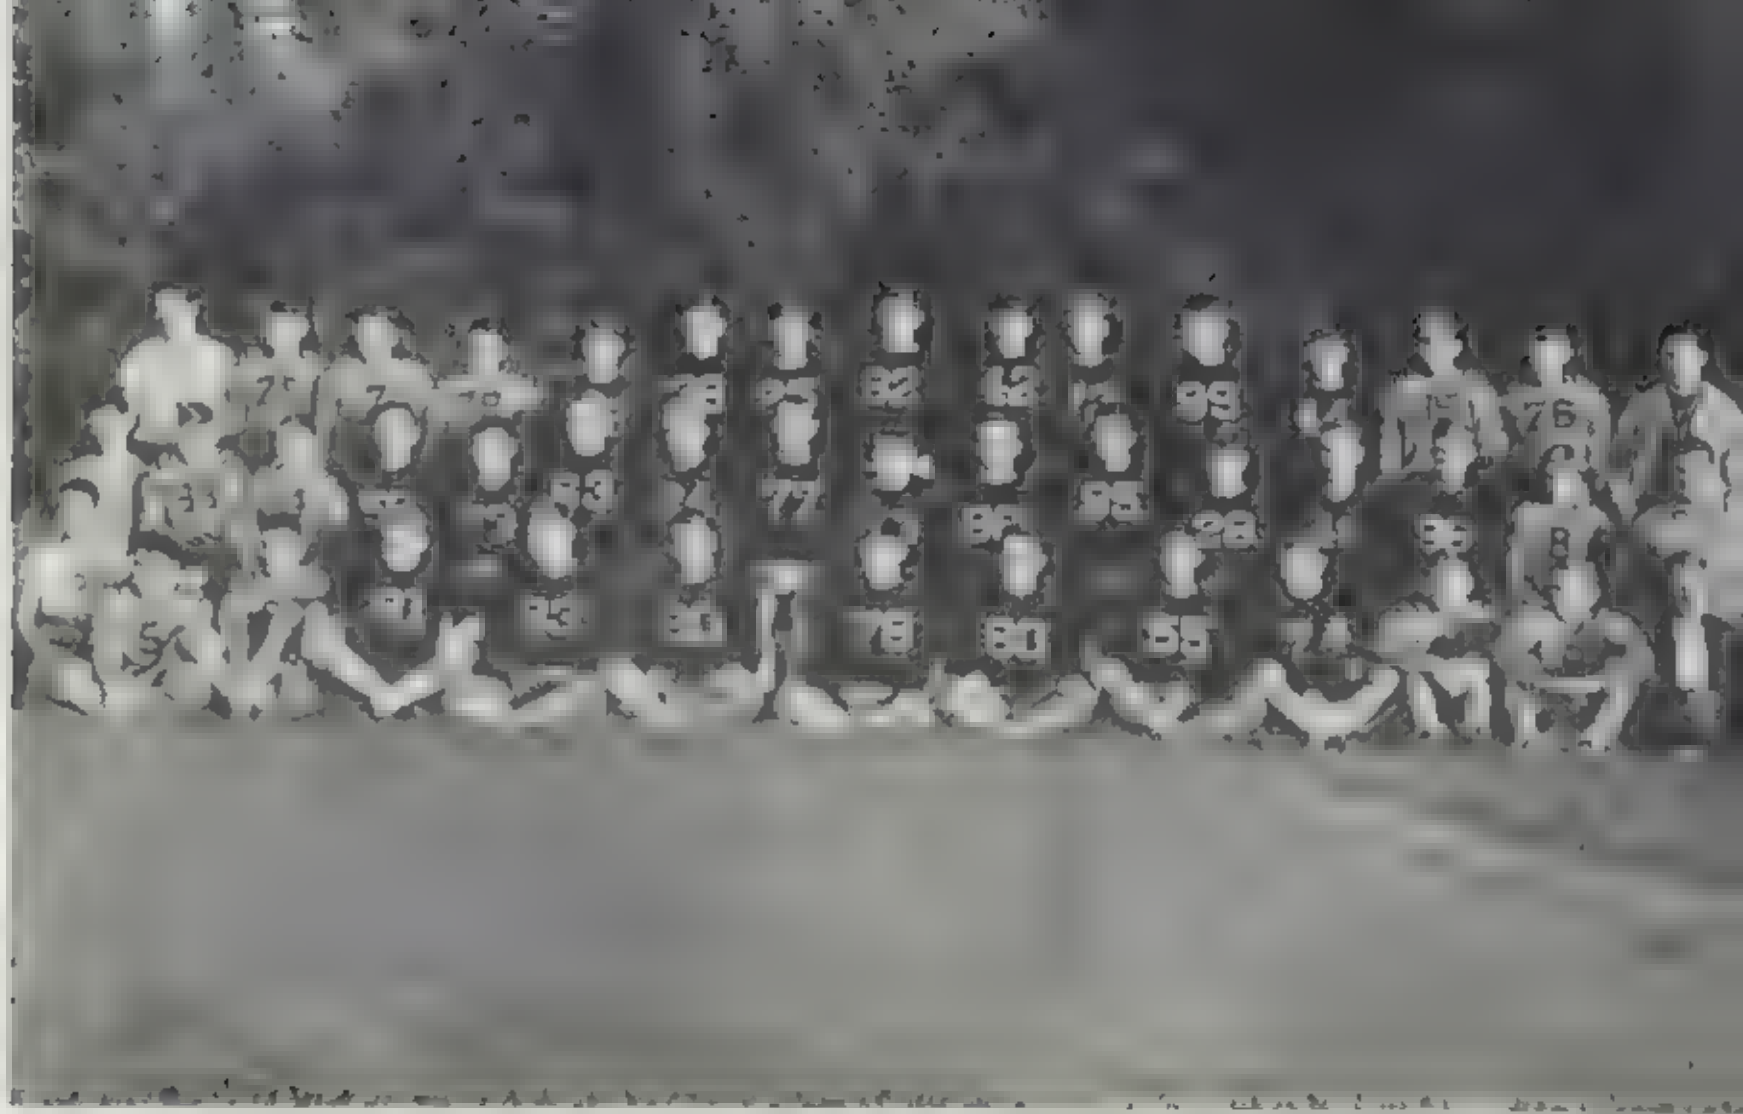

Coach Shaffer is well liked by the students and faculty. He will be remembered by the school as a great person, and especially by the ones whom he coached.

COACH TENWALDE

Coming to Upper Sandusky in September of 1941, Coach Harold Tenwalde played football as an assistant coach. Mr. Tenwalde received his discharge from the army in August 1944.

His duties as assistant football coach consisted of leading calisthenics, coaching the team. As basketball season rolled around and he took over the Reserve team, he attempted to develop a smooth working basketball team. When spring gets here he will become head track coach.

Mr. Tenwalde is a good sport and we all wish him a bright and beautiful future.

Champions! Undefeated and untied! Northern Ohio 1945 football champions! Winners of the beautiful Northern Ohio League trophy! Banqueted and honored by the Upper Sandusky Chamber of Commerce! Banqueted by the high school Varsity "U" association! Banqueted at the Evergreens by Clarence Koehler . . . a banquet given only to undefeated squads! Addressed and commended by Coach Mose Hole of Wooster College and Sid Gillman of Miami University! Recipients of gold football charms presented by an interested group of fans!

All of these were real honors and they were well-earned honors. When a football team goes through an undefeated season against good competition, then good training and good team spirit are self-evident. Competition was good last fall. The Rams represent the smallest high school in the League.

It was a great season. But let the headlines tell the story:

"Locals Score Each Period to Win Over Richwood. Rams on Rampage Swamp Bucyrus Redmen 60-7 in League Opener. Rams Wallop Ada 27-0. Rams Trounce Crestline 52-15; Coach Shaffer Uses Three Teams. Rams Smack Bellevue 53-6; Upper Surprises

Uptown Coaches in Easy Victory Over Highly Rated Team. Rams Thrill Fans with 31-6 Victory over Tiffin Calvert; Homecoming Game Draws Crowd of 3,000 as Upper Wins Tenth Straight Victory. Rams on Top in League Race."

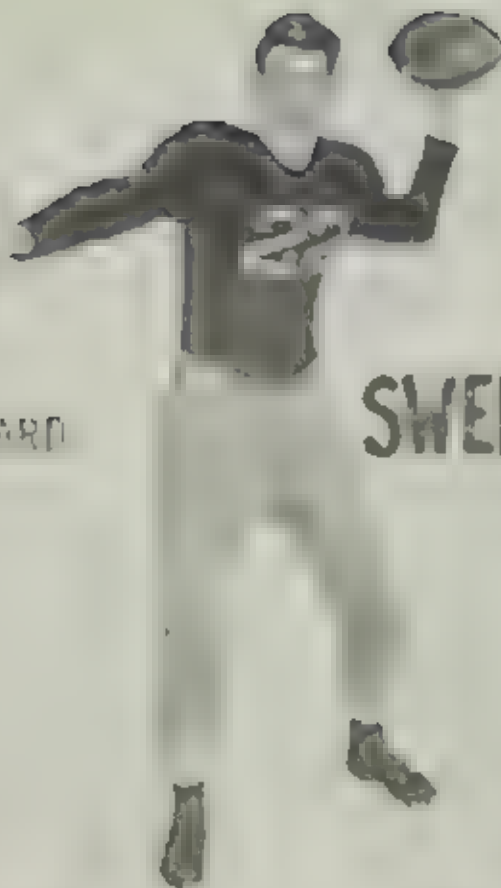

"Rams Wallop Galion Tigers 20 . . . Dunkel Rating System Has Rams 9th in Ohio. Upper Sandusky Rolls On to Title. Rams Easily Beat Shelby Whippets 34-0 for Fifth League Win. Rams, Blue Devils Face Big Melee with Perfect Records in Eight Games; only Undefeated Teams in this Section of State. Rams End Season 13-0 Win Over Carey; Record Crowd Sees Rams End Undefeated, Untied Season at Carey."

"Rams Place Nine Players on Northern Ohio All-Star Teams. First team: Wolfe, Smalley, Rife, Backs; Thomas, R.G., Houser, R.E. Second team: Busick, Back; Schnelker, L.E.; Boles, L.T.; Sweigard, C." Houser placed second string end on the All-Ohio. Schnelker, Smalley, and Rife received honorable mention.

"Upper Sandusky Wins Nine in Row, Rolls Up 332 Against Opponents' 34. Rams of Upper Sandusky Rank Eleventh in State in Last Dunkel Rating." Congratulations!

REVIEWING THE RAMS

U.S.H.S.—42, RICHWOOD—0

Starting the season at home and on a new field helped the Rams open their season with a bang. Team work seemed to be their main attribute and they constantly crossed Richwood's goal line. This was not a league game but was still very important to the Rambling Rams.

U.S.H.S.—60, BUCYRUS—7

Beginning league competition, the Rams traveled to Bucyrus in quest of a second victory. The backfield and line again co-operated to run up the highest score of the season. Bucyrus scored in the second period on a pass.

U.S.H.S.—27, ADA—0

Again taking to the road, the Upper Sandusky Orangemen met Ada on a hot, sultry afternoon. The Ada team proved to be a strong outfit and held Upper to one touchdown in the first half. This was the second of four non-league games for the team.

U.S.H.S.—52, CRESTLINE—15

While the Rams played football, their fathers sat on the bench and watched. This night was officially designated as Dad's Night. Every member of the team was allowed to play and many a father walked with his head held high that night.

U.S.H.S.—13, CAREY—0

When two schools, who are and have been great rivals, both go undefeated, the game between them should be a real affair. Such was the story when Carey and Upper Sandusky met for their final game of the season. Rain and cold weather caused game conditions to be typical but

U.S.H.S.—53, BELLEVUE—6

Bellevue came to Upper Sandusky for the Rams third league game of the season. Bellevue was highly rated over Upper. Bellevue opened the game by scoring the first touchdown but the rest of the game belonged to the Rams as they went on to run up that very lopsided score.

U.S.H.S.—31, TIFFIN CALVERT—6

Playing against one of their toughest opponents of the season, the Rams nevertheless, came out on top. Tiffin Calvert is the second previously undefeated team that the Rams have defeated. This was another non-league game.

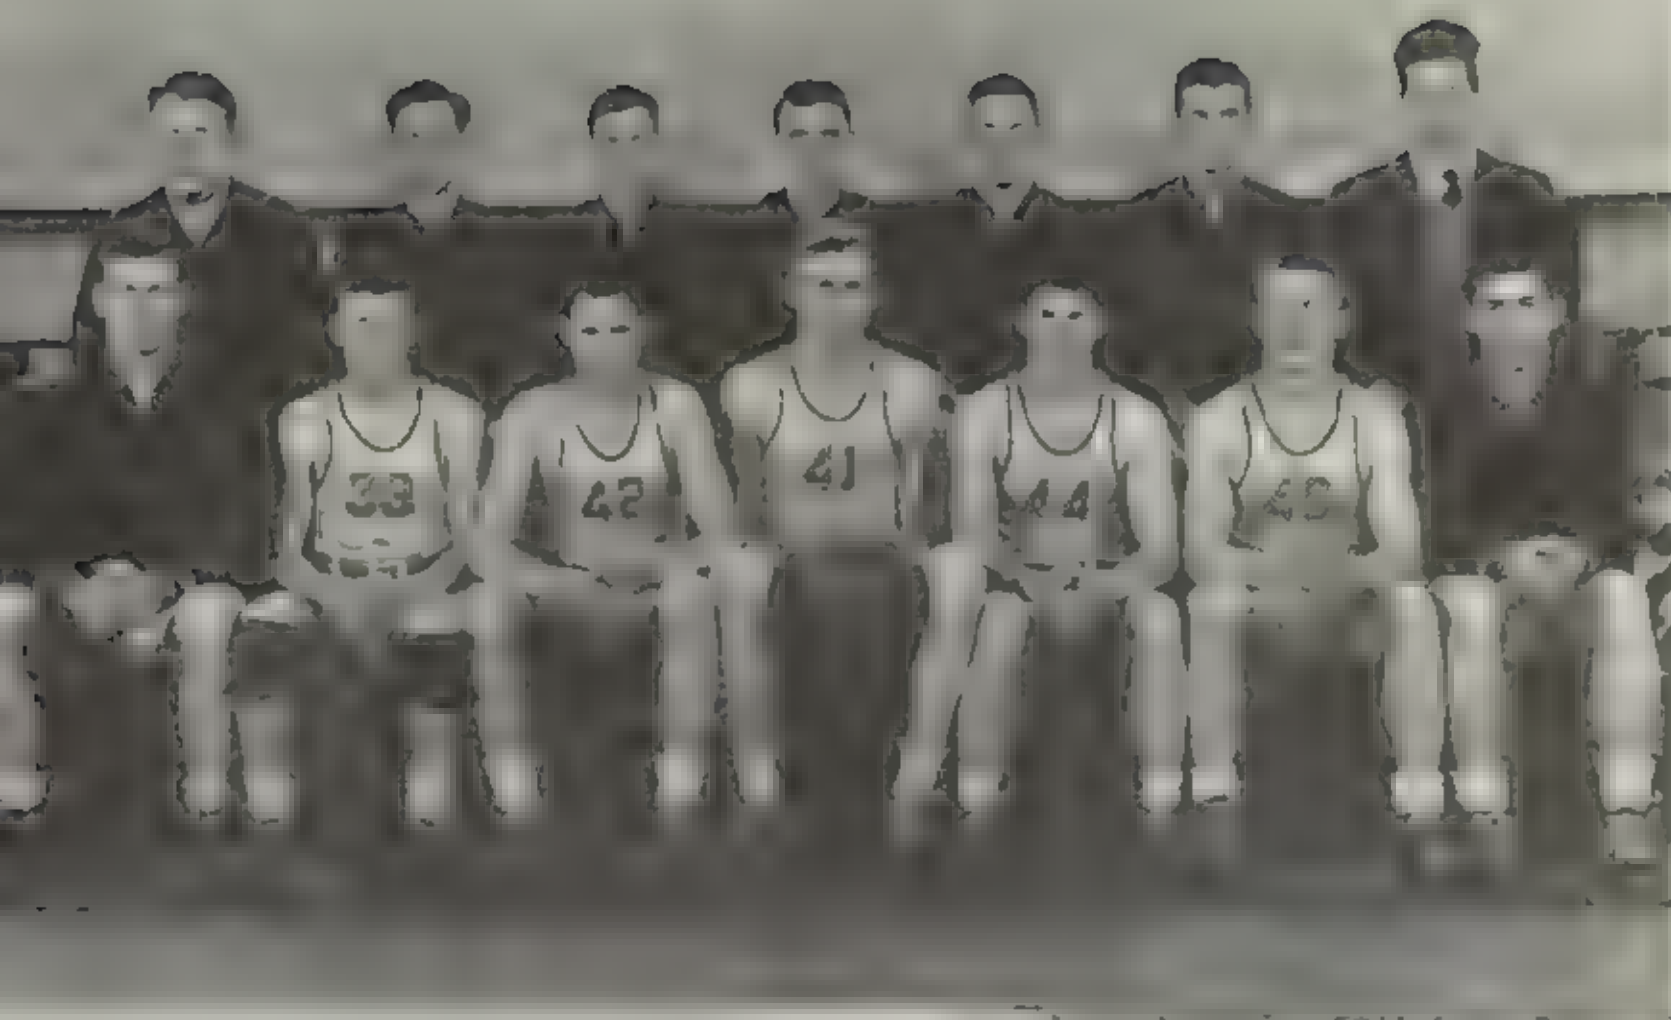

U.S.H.S.—20, GALION—0

When the Rams defeated Galion on the Tigers home field, they clinched their hold on the Northern Ohio League Championship. The Rams were held back by many penalties in this game. The next week the Orangemen were to meet Shelby for their last league game and then prepare themselves for their final game of the season with Carey.

U.S.H.S.—34, SHELBY—0

Playing one of their opponents of the season, the Rams turned on their power and deception to win their fifth league game of the season. The Rams blew the lid off in the third quarter by scoring 21 points to turn thumbs down on a possible upset by Shelby.

very uncomfortable. Gene Rife scored the first touchdown early in the third quarter and Bobby Wolfe trotted across in the last period for the second and final score of the game. So the Orangemen, with their 13 to 0 win over Carey, ended their season undefeated and untied.

First row, left to right: Jack Houser, Merle Courtad, Tom Wilson, Robert Schnelker, Robert Wolfe, Ray Smalley, Don Sweigard.
 Second row: Paul Calmes, Mgr. Jim Houser, Eugene Gibson, Konnie Solocoff, Joe Denman, Karl Pagnard, Coach Earl A. Shaffer.

Under the able leadership of Coach Earl A. Shaffer, the Rams have won thirteen of the sixteen games played so far this season. They have done well and both Coach Shaffer and his squad are to be commended for their record.

Since their opening game against Kenton last November 30th, the Rams have lost only to Galion, Norwalk, and Bellevue.

About the middle of the season the squad lost the services of Guard Gene Rife, due to a recurring knee injury. His position was ably filled by Senior Ray Smalley.

Lack of height would seem to be a drawback on the squad but their speed and deception makes up for this remarkably well. Bob Schnelker, lanky center, is the only tall man on the team and he uses his height to great advantage.

The squad has played good ball through the season and their record will not soon be forgotten.

First row, left to right: Coach Harold Tenwalde, Glen Smalley, LeRoy Everhart, John Mason, Ed Snyder, Jim Russell, Kenny Richardson, Jimmy Wolfrum
Second row: Bill Bausey, Dick Lundy, Neal Kinley, Bill Harvey, Bob Cope, Jim Kraus
Third row: Charles Keller, Leo Hare, Lloyd Russell, Jack Stecher, Don Halbedel, Wayne Koehler

RESERVE BASKETBALL

The Reserve basketball squad composed almost entirely of freshmen and sophomores has done well this year. Under the direction of Coach Harold Tenwalde they have gained valuable experience that will aid them in the future.

Being small, the Reserves were usually the underdogs as far as size and height were concerned. Many of the teams they met were composed of junior and even senior players.

About the middle of the season the team lost sophomore guard Carroll Kent because of an injury to his back. For the remainder of the season his position was filled by Leroy Everhart.

During the latter part of the season, Paul Brown, a junior, was taken on the squad. He added height to the team and should be an asset to it next year.

Although the record of the Reserves isn't quite as spotless as the Varsity's, they won't be forgotten. In a couple of years they will be playing on the Varsity and using that experience they're getting now.

CHEERLEADERS

"CHEERLEADERS"

Yea Upper! That should have a familiar ring in the ears of the students of U.S.H.S.

Mary Lou Myers, Eloise Weiker and Wanda Vannatta have been cheering our teams on to victories for the past three years. Rosemary Ellis, Freshman, has seen two years as a member of the group, and Rachel Hehr, Freshman, was added this year. We can't forget the pep meetings, decorated boards, and the gaily decorated goal posts that help to put much spirit and liveliness into the games. I am sure these girls with their new snappy uniforms and new yells were very proud to cheer "The Rams," to one of their very best seasons.

SENIOR CLASS PROPHECY

Spring of 1956

Statue of Liberty

New York, New York

Dear Mr. Davis,

It has been exactly ten years since the class of 1946 left the halls of U.S.H.S. That's why I am writing you this letter to let you know where some of your children have landed. You see I am the janitor in the Statue of Liberty now and can look out over the land to scrape-up all the latest gossip, and believe me this class has moved to all corners of the world. Take Carl Bolyard, who has now taken over Johnny Weismuller's position as Tarzan, or Jo Ann Kinley, Miriam Smalley, and Marjorie Thiel who travel over the states demonstrating the latest cooking gadgets.

Here in New York I have run across several old classmates, there's Marion Frazier who stands on the street corner selling his latest joke books at a very low cost, and that fashionable men's clothing store, owned by Hap and Vernon Stansbery, have just employed Jack Houser as a model for "Middle Aged Men." Occasionally I see Bobby Wolfe out washing the windows of the Empire State Building, but his wife, Harriet O'Brien told me just the other day that Bobby was going

to quit his job, and she was going to take in laundry to make ends meet.

I see by the Daily Chief Union, which now has four pages, that James Leshe is running for a second term as mayor, while his wife Audrey Bowen is working part time at the Mid-Way. I read in Judge Byron Broadman's column that Earl Thomas and Shirley Blaser have obtained their second marriage license after being divorced less than a year ago.

I suppose you know that Bobby Stansbery is still tapping drums for Gene Krupa, who stars that famous dance team, Nancy Hagenmaier and Donald Kramer, but did you know that they are appearing at the Upper Theater soon? I also read that Ethel Pool was just made ace reporter on the "Sweigard Plain Dealer," owned and edited by the latter, and that her first big scoop was a report on Robert Liming's interstate truck driving, which broke all known records and also Liming's left arm.

Edra Kuenzli is now running a successful music academy in Toledo known as "The Tricky Trumpet," where Paul Calmes with his trombone and Dorothy Lininger on the clarinet help keep the music coming. Richard Gibson says that he wouldn't send his chil-

SENIOR CLASS PROPHECY

dren any place else to get a musical education, so you know the place must be good.

James Samuel Houser, Jr. is the new president of the First National Bank, but makes most of his money managing that place we all know as "Houser's Handy Hangout."

By the way, Mr. Davis, do you ever tune into Martha Lee Reber's radio program entitled "I'm Forever Asking Questions?" I understand that Janet Rall, Franklin Harmon, and David Barth are Reber's star quiz kids . . . but no one could answer all those questions.

Some home town gossip has it that Raymond Smalley and Annetta Stoker are headed for big times as Raymond has just been made head coach at Little Sandusky grade school. Also that Betty Lahr and Bob Mowery own the best looking house in town . . . and the most kids. But Betty has employed Janice Myers and Rita Stief to keep a fairly accurate account of where the children are. Pot Pagnard is driving the chair-car for Bringman and Co. He still says he is going to have a little business of his own some day.

Reva Barth, JoAnn Wolfrum and Doris Bardon all work in a nifty little beauty shop called "Have Perri Do Your Hairy" . . . owned and managed by Mary Perri.

Dick Gillen has been awarded the foremost cheese maker's medal at the Chief Dairy, but Paul Binau is giving him some stiff competition along those lines.

Alice Hale, now a flashy red head, is running a little dress shop here in New York known as "Hale's Happy Haven." Mildred Russel is her co-partner. Alice was telling me not long ago that Joan Weiker is still at Heidelberg, but says if she doesn't make it this year she will quit.

I understand Robert Schnelker has turned out to be the town drunk, while Neva Graham, his wife, spends most of her time at the bowling alley . . . setting pins.

Effie and Ethel Yentzer are advertising for "Double Mint Gum" so their traveling manager, Paul Pfeifer, informs me, and Reva Messmer is kept busy taking care of all their fan mail.

Elsie Day, Betty Drew, Jackie Kraus, and Donna Rumbaugh are on a sight-seeing tour of New York City. I ran into them the other night when I was lighting Miss Liberty's torch, and they let me in on a lot of this news. It was Elsie who told me that Joyce Kin and Tom Thiel had a big church wedding, performed by Rev. James W. Hehr, and they are now living in their newly furnished trailer-house on High Street in Columbus.

Mary Lou Wall and her husband took such a liking to Green-up, Ky., they moved there several years ago and named their first little boy Valentine.

Not long ago I talked to James Johns, who had just been made warden at "Sing Sing." It seems his greatest problem is Bill Boles who insists on sharpening his teeth with a file.

Dottie Gabriel and Jane McBeth now operate "Shady Lady's Rest Home" or better known as "Home of the Unclaimed Treasures." (Old Maids in other words).

Martha Pagnard is the new Phy. Ed. teacher at Upper High, or did you know, while Jeanne Zeller has been employed at the school to help the little children on with their boots and keep the lawns mowed.

I often read of "hen parties" being held by the W.C.T.U. (Woman's Constant Talking Union). Their newly elected president is Vera Plott, with the Sec. Treas. being Alice Rall. Betty Myers and Maxine Parks have been voted the two greatest gossip collectors of the year. While the consolation prize went to Stella Woerner, who has just returned from Washington with her husband Kenneth Woerner.

Jerry Enders and Keith Stansbery are still in the navy, stationed on the Washington bridge along the Sandusky River, while Jim Southward re-enlisted in the Air Force so he could go back to England to see some old friends.

Well, Mr. Davis, I really don't know of any other news at the moment, and it's time for me to give Miss Liberty her daily brush-up. So I remain,

Respectfully, Fran Henige

SENIOR CLASS WILL

I, Doris Bardon, will my dancing ability to Gene Swihart.

I, David Barth, will my knowledge of algebra to Gene Koehler, in hopes he can find some use for it.
